Welcome to the 20th Annual Point Reyes Open Studios!

Art lovers from around the Bay Area are invited to tour artists' studios in the Point Reyes area during Point Reyes Open Studios (PROS) every Thanksgiving and Thanksgiving weekend. PROS artists will display their work for sale in their studios from 11am to 5 pm. Many of West Marin's finest sculptors, photographers, potters, painters, printmakers and woodworkers will open their studios to the public. Visitors will be able to meet the artists, see new original work and explore the studios and workshops where the art is created. The Point Reyes Open Studios map leads visitors along the back roads of this scenic rural area known for hiking trails, beaches, restaurants and inns.
